Flotilla Commander (FC) Report:

1. Steve is going to send out a list of staff officers for our election in November and will ask for those who are willing to stay in their positions.
2. With the drought situation the Friday window washing of the Pt. Cabrillo Lighthouse has been cancelled. There's only a small amount of water going over the spillway and Steve said that he would rather have water for the rentals.
3. Lorraine asked about our ID cards and if they were any good. To Steve's knowledge, photos must be full face against a red background, wearing a tropical blues shirt. For questions email Bob Gerbi and ask him.

Vice Flotilla Commander (VFC) Report:

Other Staff Reports: None.

Commendations, Awards and Member Recognition: Chris Jewell and Jan Jewell received their 15-year certificates. Helen mentioned Jan's design of the weekly fuel recirc checklist at the fuel station at Pt. Arena, a 4-page detailed and thorough report that covers everything needed to be done. It is used by both the gold and silver sides of the Coast Guard. There is also a separate weekly checklist in a binder inside the door of the fuel station to ensure that everything is completed for a refueling. It is also used by the gold and silver sides, but it takes the regular Coast Guard people an extra 30 minutes if they have to complete it and this would delay a SARS effort.
